Michael's Seafood & Steakhouse

It is going to be a busy month at Michael's!

We are celebrating Valentine's day all weekend, February 12-14, make your reservations today-seats are filling up quickly

Join us for Fat Tuesday on February 16th. In the Christian calendar, this is the day before Ash Wednesday, a solemn time of fasting. In French, "mardi" means Tuesday and "gras" means fat. This is a traditional time to indulge in one's favorite foods and drink. It's time to party it up and eat! We will be feasting on live crawfish from Louisiana and Jambalaya.

Did you know?

On Bourbon Street in New Orleans, store owners coat poles and columns with Vaseline to keep wild and rowdy revelers from climbing them (and perhaps falling).

We won't be needing to do that here in Washington but we are looking forward to celebrating!
