

# Youth Volunteer Meeting Minutes- July 18, 2011

Present: Ten Youth and seven volunteers/mentors.

Volunteer Agreements and money- Patty was unable to attend so we could not let you know if you were still missing something. If you know you haven't paid, please get your money in ASAP.

We handed out the t-shirts to those present who did not already get them at the parade.

We discussed officers- Mady Smith and Shaylee Hines have said they would run for president, and Lea Watson said she would run for secretary. If you are interested in running for an office, please let me know. A list of officers is in the policies and procedures.

Suggestions for a name include: keeping it as Youth Volunteers, or Youth of Tomorrow, or For the Youth. We are still taking suggestions. E-mail me if you have ideas.

The majority of our time was spent on discussion of the Heritage Days Carnival. We hope to get a pop up tent (10 ft x10 ft) for each game and each game/activity should be staffed by two people. You will be able to decorate your tent with signs, streamers and balloons. We will also need two people for a ticket booth which we hope to have built (and collapsable)so we can reuse it.. We began the discussion of prizes and ticket prices.The following is a list of potential games and activities

Dunk Tank	Newspaper hats	Origami Balloons
Photo Stand	Seal with ball	Hopscotch contest
Boat racing	Ring Toss	Free Throw basketball
Shooting Gallery-Nerf	Make a Pinwheel	Cake walk
Face painting	Bean Bag Toss	Spin the Wheel
Fishing for prizes	Milk Bottle Knock down	Balloon pop with darts
Clown	Balloon Animals	Goldfish toss
Magician	Cotton Candy	
Popcorn (we have access to a machine)		
Hot Dogs(the Dawg Cart will be participating so we don't need to do anything for this)		
Chess/Checkers	Old time crafts	Puppet Show
Fish Bowl with shot glass "coin toss"		

If you have other ideas please send them to me, but as you can see we will eventually either need to narrow our selection or have many more youth volunteers involved.

We could still use adults who like to help build and paint and create.

Clallam Transit is sponsoring the carnival with \$100.

We could still use more sponsors and/or donated supplies.

We also did a photo scavenger hunt in the downtown. If you couldn't be here, you should still go find these items. They are common things tourists want to know. Send us a photo if you would like and we will include it in our archives.
